### **Examiner's Amendment**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Shaun Fox on 12/3/2008.

#### **In the claims:**

In claim 29, line 2, delete "1,3-butadiene, isoprene, 1,3-pentadiene,".

### ***Remarks on ISR***

2. The references cited as "X" or "Y" on the International Search Report do not anticipate or render obvious the instant claims because none discloses or reasonably suggests the curable sealant as set forth in the amended claims. While each of the claimed limitations is known separately, the claims require a specific subset of functionalized polymer which cannot be considered obvious in view of the enormous range of possible combinations of polymer properties and options for functionalizing such polymers.
